Dear All

On behalf of Professor Saleem I. Abdulrauf, MD, FACS – The President of the Walter E Dandy Neurosurgical society and the local scientific committee from the Department of Neurosurgery in Opole I have the pleasure and honor to invite you to the **Microsurgical**

Bypass Hands-on Course on Rats to be held in the lab of Silesian Medical University in Katowice under the supervision of Legendary microsurgery teacher Dr H C Rosmarie Frick working for many years in Zurich with Prof. Gazi Yasargil – father of modern microneurosurgery.

The date of upcoming event is **21st-24th of October, 2024**

This location will allow you not only to take part in an outstanding symposium and hands-on microsurgical course with the participation of the world recognized faculty, but also will let you to benefit from the ultramodern lab and teaching facilities in Katowice, which is located at the heart and soul of Poland's Silesia District.

Dariusz Łątka, MD, Ph, Assoc. Prof.

Open and introduction

Hemostaza w chirurgii, Anna Ciupińska, Arkadiusz Pitach
Warsztat Firmy Baxter

Demonstration of suture and knot techniques.

Participants Hands-on: Suture technique practice by silicon.

Demonstration of end- to- end anastomosis on silicon.

Participants Hands-on: End-to-end anastomosis on silicon tubing.
Lunch

Participants Hands-on: End-to-end anastomosis on silicon tubing.

Demonstration of end-to-end anastomosis on carotid of rat.

Participants Hands-on: End-to-end anastomosis on cartid on rat.

Lunch

Participants Hands-on: End-to-end anastomosis on cartid on rat.

Demonstration of end-to-side anastomosis, jugular rat.

Vein to carotid communis artery of rat.

End-to-side anastomosis, jugular vein to carotid communis artery on rat

Lunch

Participants Hands-on: End-to-side anastomosis, jugular vein to carotid communis artery on rat. Carotid communis artery on rat or end-to-end anastomosis on carotid on rat

Participants Hands-on: End-to-side anastomosis, jugular vein to carotid communis artery of rat. Carotid communis artery on rat or end-to-end anastomosis on carotid on rat

Microsurgery with by-pass- fields of application.

Dr n. med. Dariusz Szarek

Lunch

Participants Hands-on: End-to-side anastomosis, jugular vein to carotid communis artery of rat. Carotid communis artery on rat or end-to-end anastomosis on carotid on rat
